opon the petition of W. Stewart and sunds

Upon the petition of disaries Jones—presented by Councisman Baohman—asking the appointment of a committee to settle matters in controversy between petitioner and the city for building Gayoso street bridge, referred by the Common Council to a committee of three—to wit: Councilmen Smith, Bachman and Reder—and their action concurred in by the Board of Aldermen by a like reference to a special committee—to wit: Aldermen Pendergrast and White—your Jointspecial committee of the Common Council and the Board of Aldermen report that having carefully investigated the matter referred to them, they recommend that the sum of \$975 be deducted from his estimate as made by J. H. Humphrey, City Engineer, leaving the amount to be allowed to

SPECIAL NOTICE. Atmospheric Polson, -- The spring ann calls up something besides the flowers and grasser. It evolves from the damp earth turpld rivers, stagnant pools and black mosees, the gaseous provocatives of disease, too, it exhales an effluvia destructive of health and vigor. Perisale fevers of various types are now raging with unusual virulence in various parts of the country, and there are exhibited from all quarters of a singularly unhealthy apring. What is to be done in this emergency? The answer is simple and to the point. Strengthen the body, Weakness precisepess the system to disease. Commence at once a course of the most genial of tonics, Hosteter's Stomich ditters.

Be assured that the germs of epidemic and too, it exhales an efficient destructive of with this glorious vegetable restorative. A moist atmosphere aggravates dyspepsia and all diseases of a billions type, and the sudden thermometrical changes common as this thermome-rical changes common as this eason are a severe trial even to strong constitutions. There is not one way of combatting these deleterious agencies, and that is yn invigorating the body and imparting a sasilar activity to ail its functions. The only specific required for this purpose is distinct. Of all vegetable tonics and alteratives it is the purest and the best its medicinal ingredie is include all the unces and extraces of the most approved only anti-bi long and anti-spite products of the botanic kingdom, and they are combined with a stimulant for superior in quility to the alrohol need in preparing the tindures and extracts of the regular paramacopolis.

> MERCY HOSPITAL TO AGENTS!

in order to make tals of all the tickets in your hands before this drawing, you had before this drawing, you had before obtain subswitters at once for a club. In this way persons will subscribe one dollar or more who would not be disposed to purchase a ticket. You can also explain to them that by subscribing to a cub, they get all the benefit of club rates.

Each Agent is allowed to sail tickets at club rates, as specified on circulars, vis: Single tickets it each, two for \$5, and so out and we will allow you to deduct twenty per cent. from the actual amount received by you on sales. On the lat of March every Agent must make a report to us, staling how many lickets have been sold up to that time, and remit the money in registered letter money order or by Express, for all tickets we may know who are not solling, and if required in quest them to return the tickets. Persons who are doing well may continue the sale up to the list of March, and on that day all money, logether with all tickets unsold (if any) must be usited at your P. O. or sent by Express to us, which will be the same as though paid to us in person, as it will take sowers and prepare to commence the All orders promptly filled. Address PATTEE & GARDINER,
